AVIATION CLUB

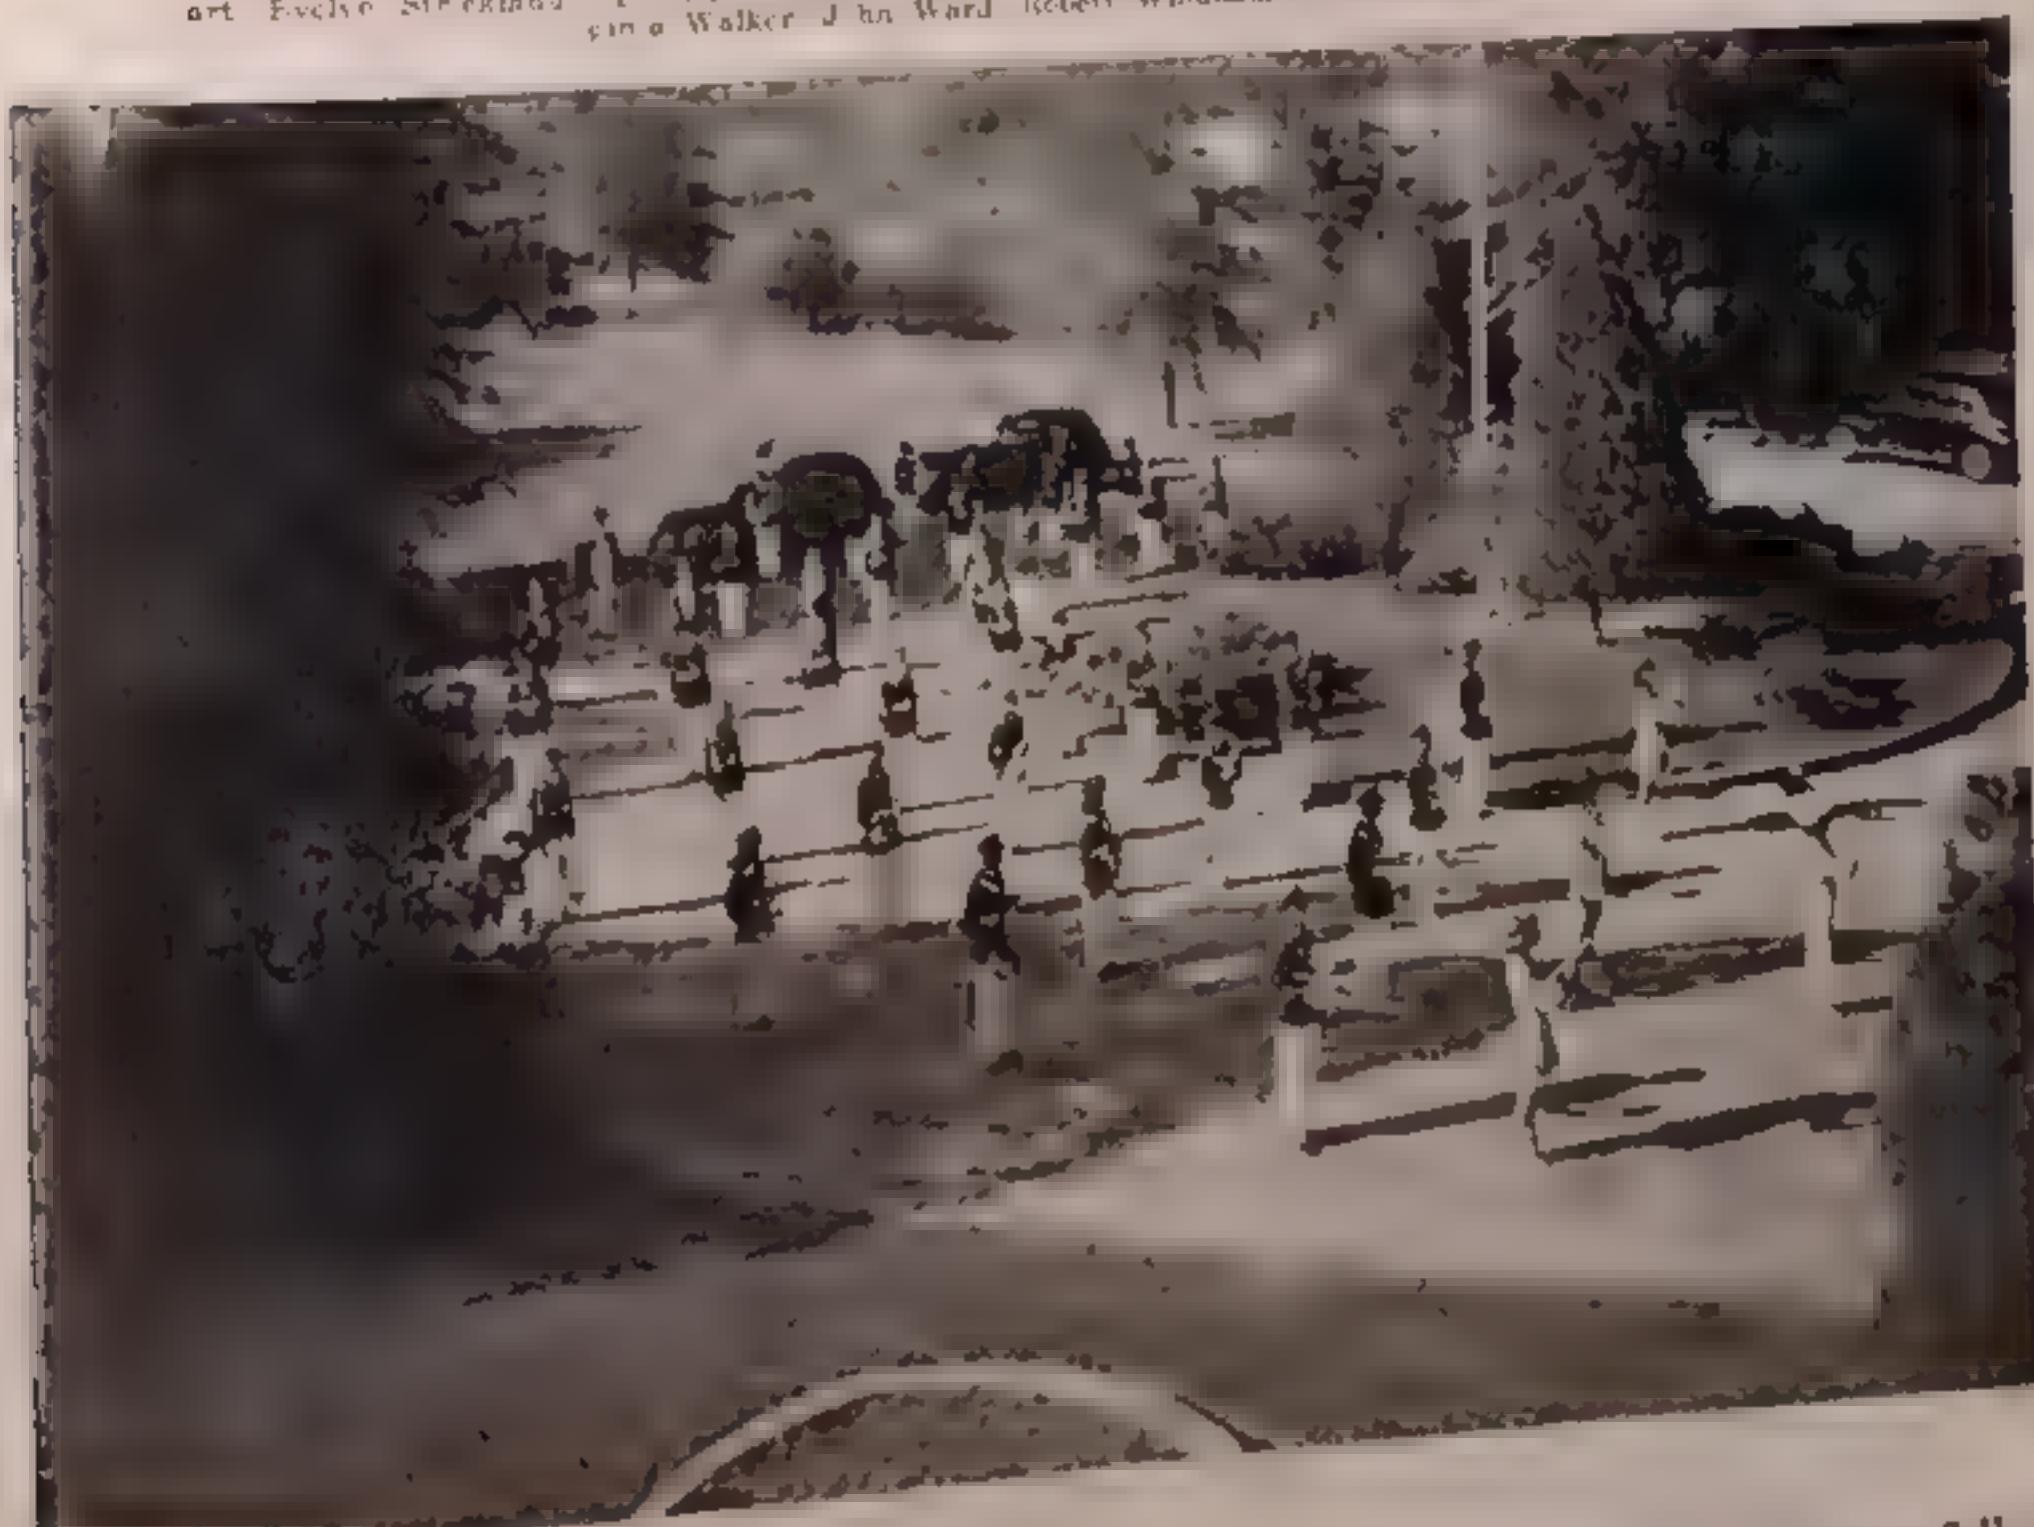

The Aviation Club is in the third year of its existence and is proving to be one of the leading clubs if not the leading club on the campus. It has more than fifty energetic members. Its capable officers, Gerald Duckworth, president, Odell Ellzey, ~~secretary~~, and James Putnam, reporter, have proven themselves to be real leaders. The purpose of the club is to develop leadership, to gain a better knowledge of aviation, and to develop character.

In ~~A~~ppreciation

The Rationian Staff is proud to present this, the Last Commencement Special to be published in peace time since 1940-41. But it must be pointed out that a number of war time conditions still exist even though the war has ended. It was for this reason that the Staff was unable to obtain stiff covers for the Special this year.

It is with sincerest appreciation that we acknowledge the kindness and cooperation of our sponsor, Miss Bette Ridgway and our printer, Mr F B Black. To the others who aided and assisted us Mr W H Mason, President J B Young, Mr P G Jones and Mr H A Dunahoo, we the Rationian Staff say "Thank you!"
